MEMORANDUM FOR: Associate Deputy Director for Intelligence

STATINTL

SUBJECT : Request for [REDACTED], Office of Regional and Political Analysis, to Lecture Before the Columbia University Debate Council

STATINTL 1. Attached is a copy of a request from the Columbia University Debate Council for a DDI lecturer. Several DDI Soviet specialists in CPS and ORPA suggested that [REDACTED] make the appearance, and he has agreed.

STATINTL

STATINTL 2. Contingent on your approval, Daniel Flamberg, [REDACTED], and I have tentatively agreed that [REDACTED] lecture the Columbia Group (20-25 undergraduates in political science) late in the afternoon of 9 March. [REDACTED] would lecture for 50 to 60 minutes on the suggested topics and then respond to questions; there would be no other speakers, and no debate as such.

STATINTL

STATINTL 3. Flamberg is a doctoral candidate in political science at Columbia, and a student of Marshall Shulman. Our discussions of his work led Flamberg to suggest that [REDACTED] also be requested to speak on current Soviet issues at Shulman's seminar early in the afternoon of 9 March, and that a luncheon be arranged where [REDACTED] could get together with other New York area Soviet scholars. I gave him a tentative go ahead for both plans, and Stevenson has agreed. If approval is granted, I will make final arrangements with Flamberg. STATINTL

4. A DDI analyst appeared before the Columbia Debate Council last year, and tells me that all went well. I will make certain, nonetheless, that Flamberg understands the parameters within which we will want this to develop.

Dear Mr. Foster:

This is a formal request to the Central Intelligence Agency for a briefing for our students. As you may recall, the briefing last year was informative and enjoyable. The students were helpful in complying with the simple ground rules.

This year the students would be most interested in hearing about political succession in Communist states. Specifically, if at all possible, problems for succession in the Soviet Union, China, and/or Yugoslavia. As usual we will provide a list of those attending, there will be no publicity, and only members of the Debating Council will be admitted. We are really interested in a free give and take in a candid atmosphere like the experience with Mr. Pearson last year.

In terms of scheduling we are open in the Spring. There is a possibility that we may be able to come to Langley, but its a remote one. I will be in touch with **you** by phone to arrange the details. Naturally these things will be held at the convenience of the guest speaker.

Thanks for your continuing assistance.

MEMORANDUM FOR:	STATINTL	3F30	STATINTL
Re/ Columbia, debating society, [REDACTED] etc. last week ....			
I owe you an apology. Sorry.			STATINTL
I read a sentence in the opening paragraph (as I recall it) of the memorandum too rapidly... It said that you and [REDACTED] and some guy from Columbia had decided that [REDACTED] would do or talk about this or that. I moved from that sentence to a position of annoyance and let it hang out.			STATINTL
Sorry....			[REDACTED]

My enthusiasm for this exercise is lukewarm. We should not get into the Speakers' Bureau frame of mind. Moreover, I'd like to feel that the Coordinator does not have the prerogative to decide who he will use...

[REDACTED] was recommended by his division chief in consultation with CPS Soviet specialists. I had no role in his choice.
